

Superyacht & Yacht Services at Port Louis Marina, WI.

Camper & Nicholson's Marinas owned and operated, Port Louis Marina offers a comprehensive range of services designed to cater to the specific needs of yacht, superyacht owners and crew, including:

- **Full-Service Berths:** With 227 berths, Port Louis Marina offers 11 alongside berths for 50M – 110M, most with space for tenders on the hip, and 12 Med-Moor berths of 35M. Shore power available, currently undergoing upgrades. High standard, international specification docks and services.
- **Competitive Rates:** daily, weekly, monthly and longer-term rates available and can be discussed. Long term berth leases are also a possible option.
- **Fuelling: In Berth, Duty Free** bunkers at favourable rates. Ask the marina direct or via your fuel broker for quotes. N.B. The Govt of Grenada controls pricing, reviewed the 17th / 18th of every month.
- **Maintenance & Technical Services:** Port Louis Marina offers a preferred contractors list or liaise with your local agent for support. A choice of yards offers skilled services and haul out up to 220 tonnes. Direct flights allow specialists to fly in, if required. Comfortable accommodation on the doorstep.
- **Concierge services:** The Port Louis Marina Team are on hand to support where possible, working closely with local agents and yachts to fine tune any details, from waste management needs to requested golf car services.
- **Customs & Immigration Assistance:** Grenada offers Duty Free import handled by your local agent, covering all needs such as victuals & equipment. Port Louis Marina teams are on hand to support the transfer of pallets to the yachts or to help with any other requirements. **Port Louis Marina is a recognised Port of Entry.**
- **Private Jet Terminal & International Airport:** Maurice Bishop International Airport (GND): Located 8 kilometres from Port Louis Marina, offering dedicated FBO facilities with comprehensive private aviation services and full international customs handling for arrivals to the island.

Facilities

Port Louis Marina boasts convenient guest and crew facilities designed to elevate your yachting experience:

- **On-site restaurants and bars:** The Victory Bar offers a relaxed indoor/outdoor venue, Knife & Fork is a café style setting and the Merveilles Hub offers relaxed, higher end choices.
- **Swimming Pool:** A fabulous pool & sundeck offers great crew down time and dive training possibilities.
- **Adventure:** Grenada offers so much for the outdoor lover, be it land or water; ask the marina office, your local agent or, of course, Grenada Tourism Authority for information.
- **Entertainment:** Proud to be an authentic and safe island, the presence of a large American University means nightlife is also very present; ask the marina for details and don't forget carnival time in August!
- **Private island access:** The Calivigny Island residence & resort offers an exclusive escape, with close access for deep drafts and stern to options, vessel dependent.

Other: Port Louis Marina is within the Port of Grenada; your local agent will arrange the very efficient and inexpensive pilot service for vessels 200 tonnes +. The main anchorage is just outside the marina.

Local Agents: Superyacht Services Grenada & Henry Safari are both onsite at Port Louis Marina. Both teams have decades of experience and have built strong relationships with clients, foreign & local provisioners as well as other agents regionally and internationally. Services include airport transfers, flowers, food and drink inventory, excursions, parts, clearance etc.
